

World's Greatest Marketing Secret: Write and Publish Your Book to Promote Your Business

If you want to stand out from your competition, strengthen your credentials, and get free publicity, then writing and publishing a book is your best option! Your book will become a lead-generating tool that helps you boost

your profits by securing highly-paid speaking engagements and attracting more coaching and consulting clients. Don't feel overwhelmed by the thought of writing a book. Let international best-selling author, professional speaker, and publishing and book marketing coach Patrick Snow guide you through the process with one-on-one and group coaching calls, unlimited email and text access, an easy to follow publishing road map, and his life-changing Best Seller Publishing Institute.

Patrick Snow has sold more than 150,000 copies of his two books, *Creating Your Own Destiny* and *The Affluent Entrepreneur*, and he has helped 500-plus of his clients successfully publish their own books (covers on back side). Patrick Snow will simplify the process, saving you time and money, serve as your mentor and coach for life, and guide you through the following steps:
